6. Representative of GIZ.
7. Representative of CDD & BORDA.
8. Additional Director O/o Director of Municipal Administration A.P. Hyderabad.

3. Terms of Reference for the Committee

a. Objective

The primary objective of this initiative is to develop guidelines/regulations under the (Municipal Act/Building byelaws) for implementing Waste Water Recycling(WWR), Fecal Sludge Management (FSM) and Rain Water Harvesting (RWH) in ULBs in the State of Andhra Pradesh.

b. Detailed terms of reference

- Review waste water recycling, FSM and RWH initiatives and good practices in different states /cities in India.
- Review existing Municipal Act, Rules and Building byelaws in Andhra Pradesh and provisions available for promoting WWR, FSM and RWH, extend of implementation and lessons learnt.

- Review good practices following by towns in Andhra Pradesh and processes adopted by these towns.
- Identify barriers for implementation and potential incentives for accelerating the programme.
- Identify PPP potential in financing and operating WWR and FSM related infrastructure.
- Draft WWR/ FSM/RWH rules and amendments needed in the prevailing Act/Byelaws for effective implementation.
- Develop a capacity building framework at the State Level as well as at the ULB level for effective implementation.
- Develop a work plan for operationalizing the rules.

c. Duration

- The committee shall submit draft report in two months. However, draft framework of the Rules shall be submitted in one week.
- Stakeholder consultation shall be held during the development of this report.
- The committee will meet at least four times.

d. Deliverables

- Report covering all aspects outlined in the TOR.
- Proceeding of stakeholder consultation.
- Draft Rules with regard to Waste Water Recycling, Fecal Sludge Management and Rain Water Harvesting.

4. The Director of Municipal Administration shall take necessary action accordingly.
